We, David H. DeYoung, William F. McGinnis, Ray T. Richter and Jeffrey J. Wiesner, declare:

We are citizens of the United States of America and residents of Export, in the County of Westmoreland and Commonwealth of Pennsylvania, New Kensington, in the County of Westmoreland, Commonwealth of Pennsylvania, Murrys ville, in the County of Westmoreland, Commonwealth of Pennsylvania and Maryville, in the County of Blount, State of Tennessee, whose post office addresses are 3833 Hills Church Road, Export, Pennsylvania 15632, 309 Glencoe Drive, New Kensington, Pennsylvania 15068, 5001 Pioneer Court, Murrys ville, Pennsylvania 15668 and 402 Holyrood Way, Maryville, Tennessee 37803, respectively.

We believe ourselves to be the original, first and joint inventors of the improvement in "Aluminum Alloys Having Improved Cast Surface Quality" described and claimed in U.S. Patent Application Serial No. 09/685,283 filed October 10, 2000.

We have reviewed and understand the contents of the specification, including the claims.

We do not know and do not believe that the same was ever known or used in the United States before our invention thereof; or patented or described in any printed publication in any country before our invention thereof or more than one year prior to this application; or in public use or on sale in the United States more than one year prior to this application.

Said invention has not been patented or been made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to this application.

We acknowledge our duty to disclose information of which we are aware which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

No application for patent or inventor's certificate thereon has been filed by us or our legal representatives or assigns in any country foreign to the United States.

We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

We hereby appoint Charles Q. Buckwalter, Registration No. 32,969; Edward L. Levine, Registration No. 28,097; Gary P. Topolosky, Registration No. 31,888; Tracey D. Beiriger, Registration No. 37,402; Glenn E. Klepac, Registration No. 26,474; David W. Pearce-Smith, Registration No. 31,285; Thomas R. Trempus, Registration No. 29,708; Richard L.
